

Skyline Roofing *hp*

STANDING BY OUR PRODUCTS
AND WARRANTIES FOR OVER 50 YEARS

Skyline Roofing *hp* is a 24 gauge high-performance panel available in durable premium colors. This concealed fastener, standing seam panel is ideal for residential and light-commercial roof applications.

FEATURES AND BENEFITS

- Available in our Dura Tech™ 5000 and Dura Tech™ *mx* colors, which are energy efficient, cool colors, formulated to help reduce the demand for energy.
- Limited Lifetime Warranty for residential applications.
- ASTM E1592 tested for wind uplift performance.
- Skyline Roofing *hp* panel assemblies are Class A Fire Rated when installed on non-combustible deck or framing per IBC, IRC, or UL790 when installed in accordance to UL listings.
- Panel evaluated by accredited third party. All structural performance data is contained within an IBC/IRC 2015 code compliance report.

REPRESENTATION OF COLORS MAY VARY DUE TO PRINTING LIMITATIONS. Sample color chips are available upon request. Consult your ASC Building Products representative for more information. Color inventory may vary by manufacturing facility and gauge. Please inquire with customer service for availability.

Oil Canning

All flat metal surfaces can display waviness commonly referred to as "oil canning." "Oil canning" is an inherent characteristic of steel products, not a defect, and therefore is not a cause for panel rejection.

EXCELLENCE IN METAL ROOFING
